

Payentry®

Benefit Enrollment & Administration

Key employees make a difference in your company's success. Your experienced employees and the rising stars will be looking for the best possible compensation packages.

Payentry offers low-cost employer solutions that allow employees to save money on dependent and health care expenses and insure for events not covered by your firm's group insurance plans.

BENEFIT ENROLLMENT AND ADMINISTRATION

Benefits Enrollment with Payentry Benefits will streamline the enrollment process for your company and make it easy for employees – by eliminating paper forms and manual processes.

- Payentry Benefits provides tools that help employees make informed plan selection decisions.
 - Side by side plan comparisons
